## Paris, between the Champs-Élysées, Eiffel Tower and Arc de Triomphe ...

... is THE place to be in 2010, because it is an advantage to have insider knowledge.

Dear Doctor,

We are pleased to invite you to our 3<sup>rd</sup> FORESTADENT Symposium on 24 and 25 September 2010 in "Les Salons de la Maison des Arts et Métiers" in the centre of Paris. This year's scientific conference also guarantees excellent speakers, interesting topics and in-depth lectures. The main topic will be "The Aesthetic Smile".

Another specialist event will be held the day before on 23 September 2010 – the 1<sup>st</sup> International 2D Lingual User Meeting.

And that is not all. Discover Paris away from the well-trodden tourist paths and FORESTADENT will let you into the secret of local insider tips.

A unique social programme once again offers you a fun and relaxing experience. Enjoy the company of colleagues and friends and savour the informal atmosphere away from the lecture halls.

Don't miss the FORESTADENT highlight 2010!
